

Cladding Vacuum Lifter

Accessories included

Parking stand for forklift

Forkable pallet-sized parking stand for easy storage and transport. Protective cover included.

Specific pads for panels

The special seal that composes the panel pads is specially designed to ensure an easy and immediate grip on different types of panels (smooth, trapezoidal, micro-ribbed).

Support for assembled vacuum lifter

Steel base to support the assembled vacuum lifter without damaging the pads when not in use.

Tilt assistant bracket

Practical metal tilt assistant attachment to vacuum lifter suspension for making tilting from horizontal to vertical position extremely easy.

Spare battery kit

Additional kit of high-capacity batteries to easily replace the low ones without interrupting your job, if needed.

External charger

External charger to always have the spare batteries kit in charge.

Optional to choose

Remote control

Extension arms

Special pads

Additional alarm
